Nestled in the valley green

Where the mountains stand serene.

Here we pledge our loyalty,

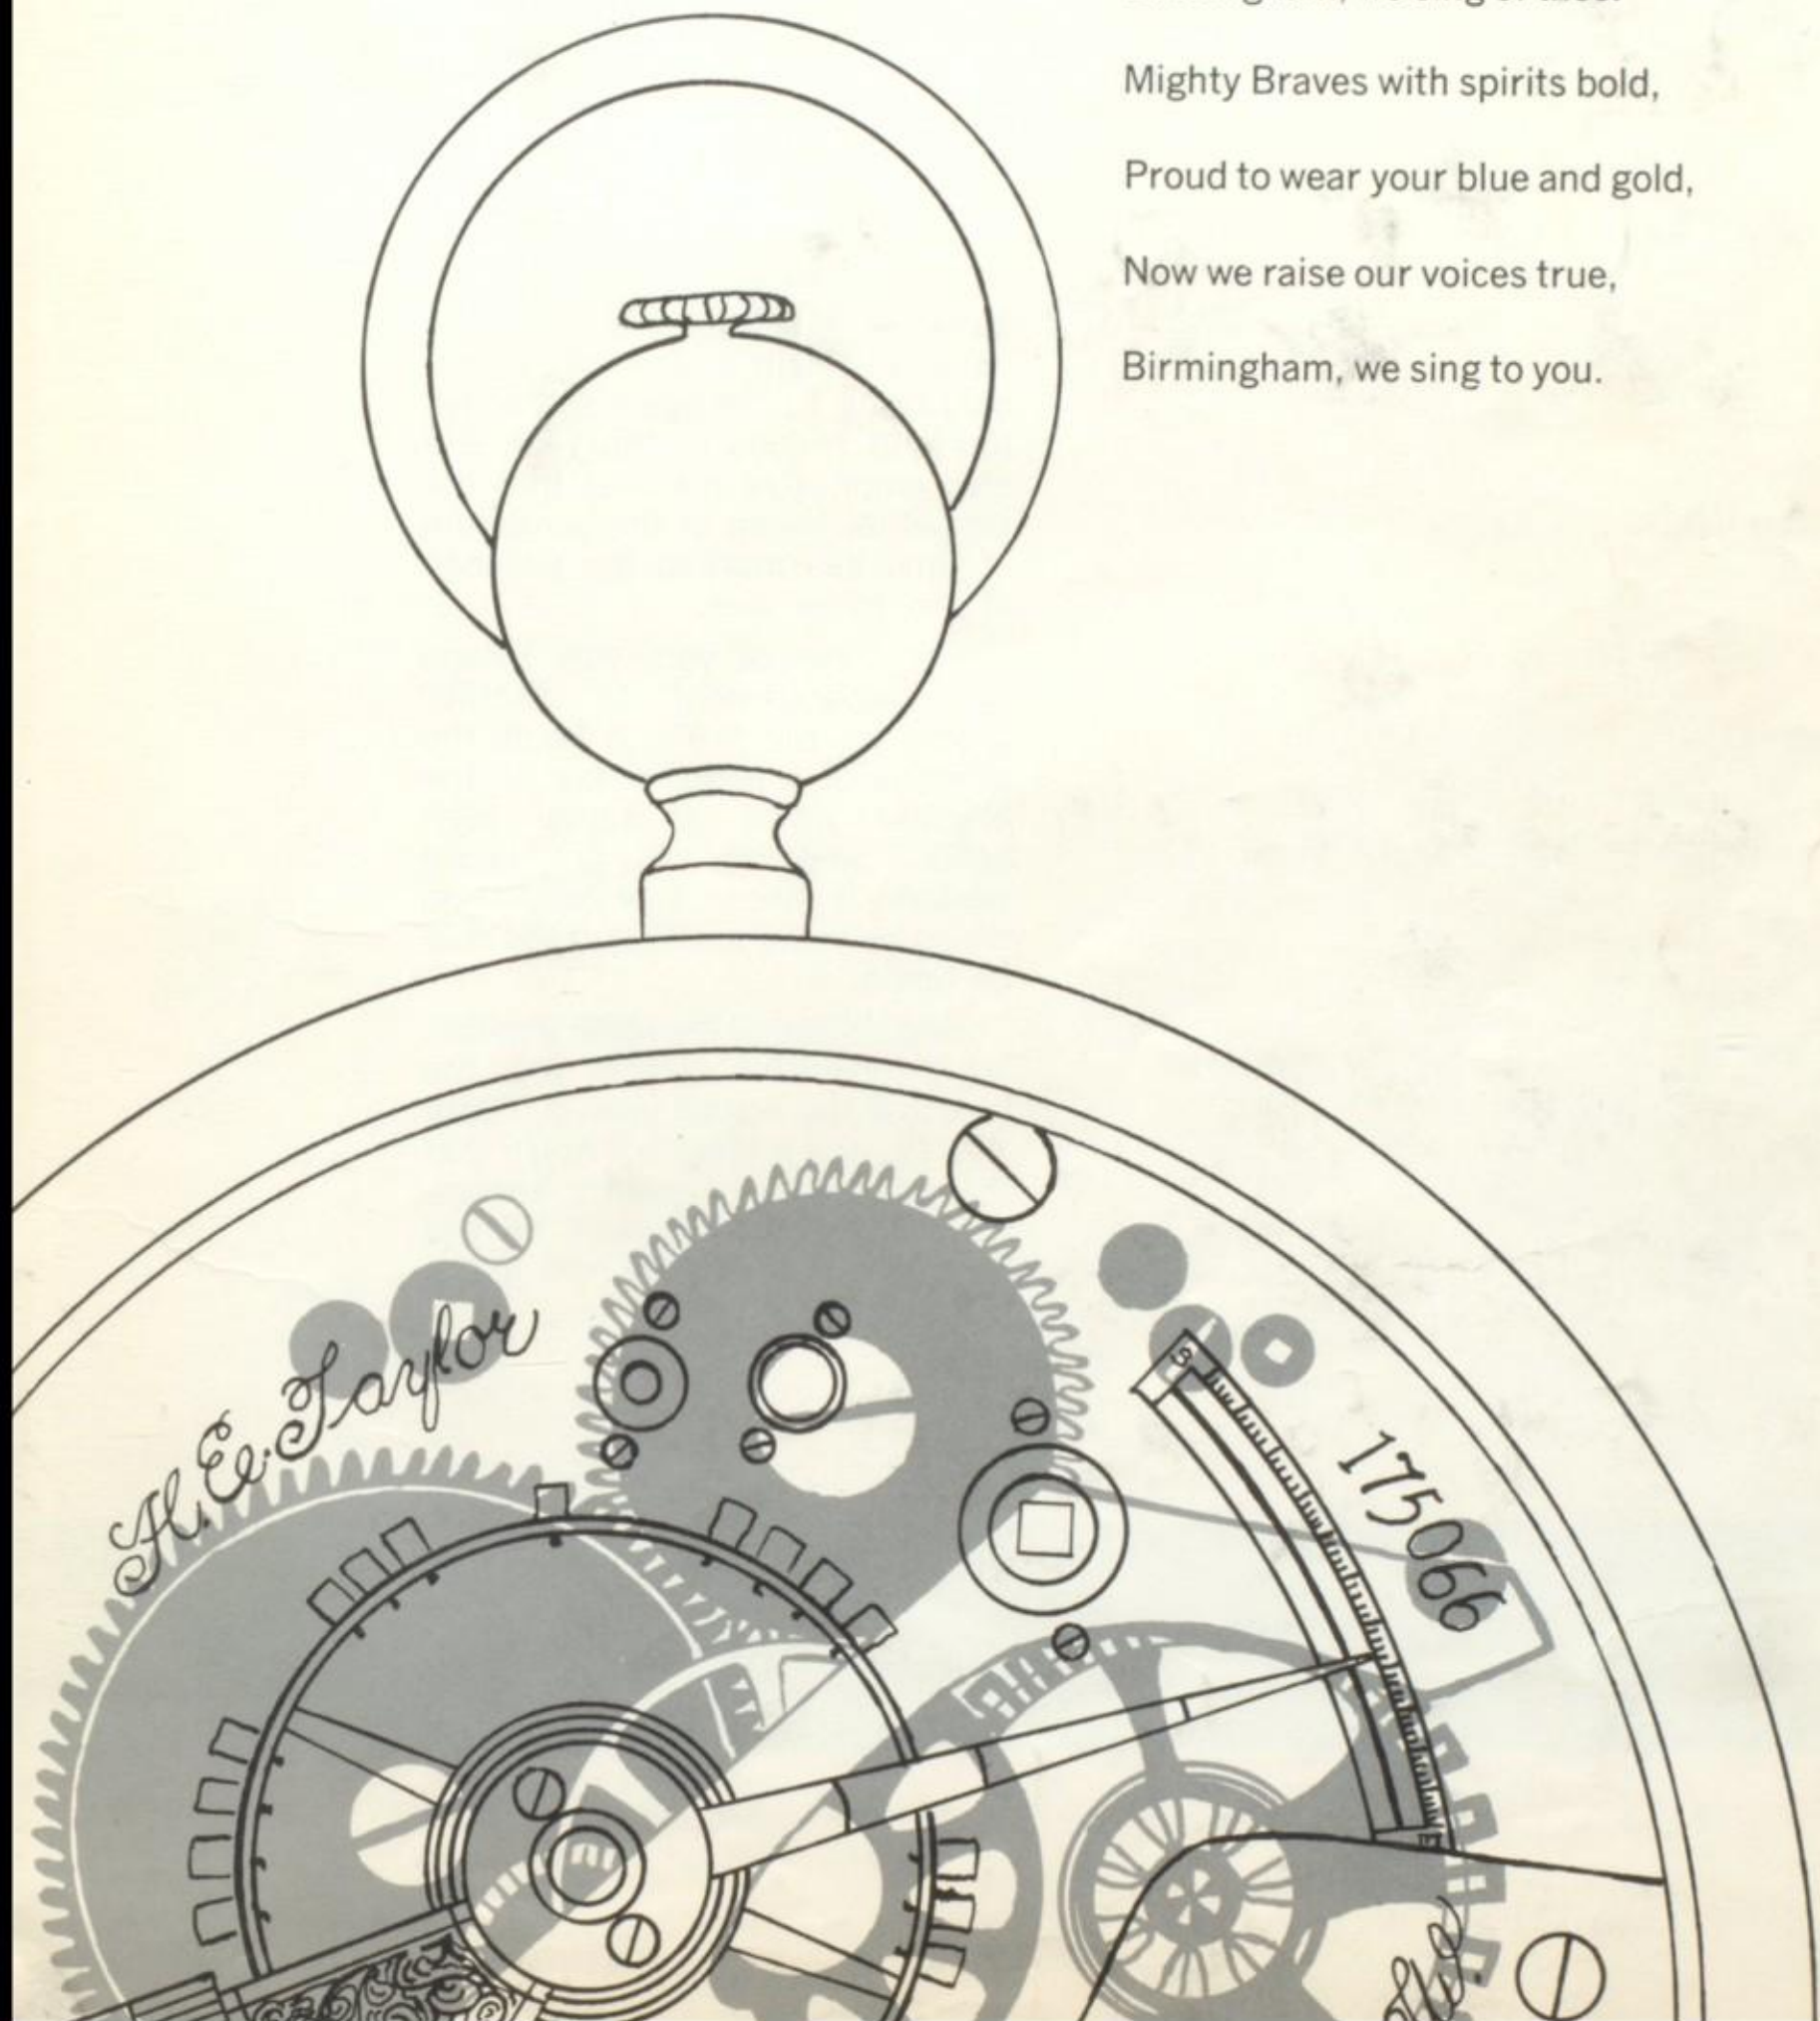

Birmingham, we sing of thee.

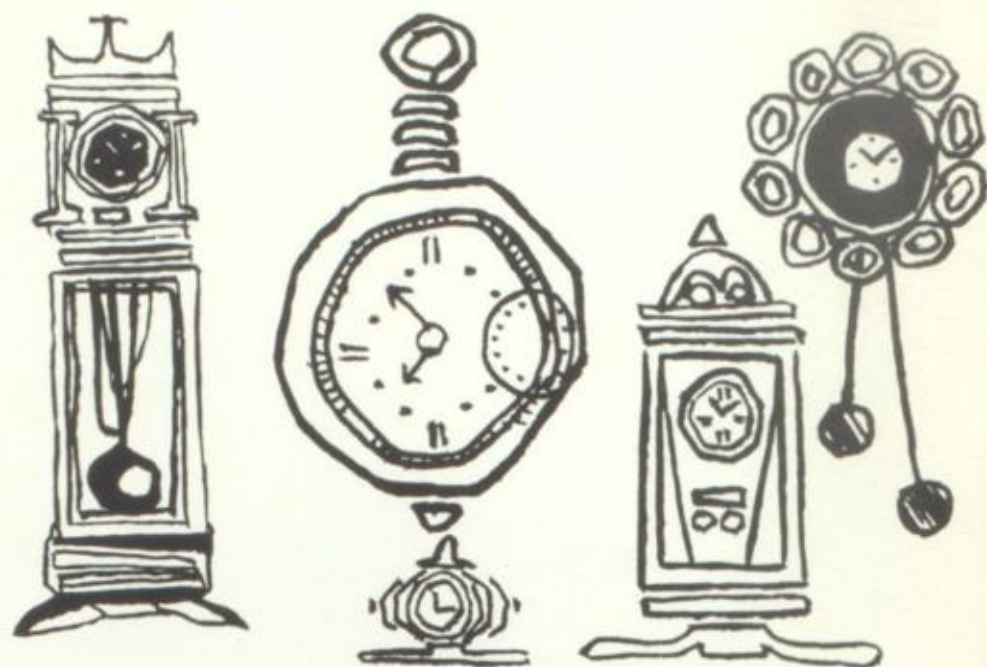

Mighty Braves with spirits bold,

Proud to wear your blue and gold,

Now we raise our voices true,

Birmingham, we sing to you.

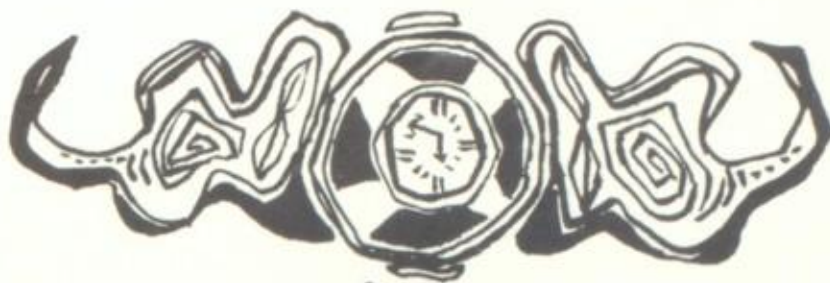

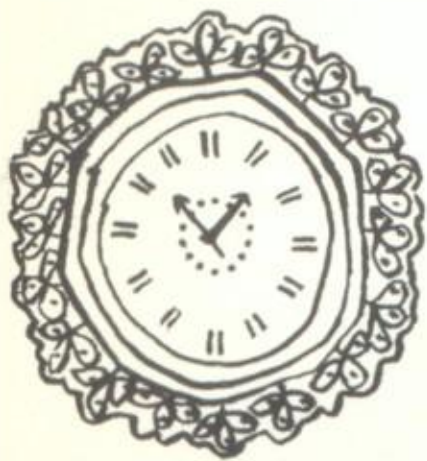

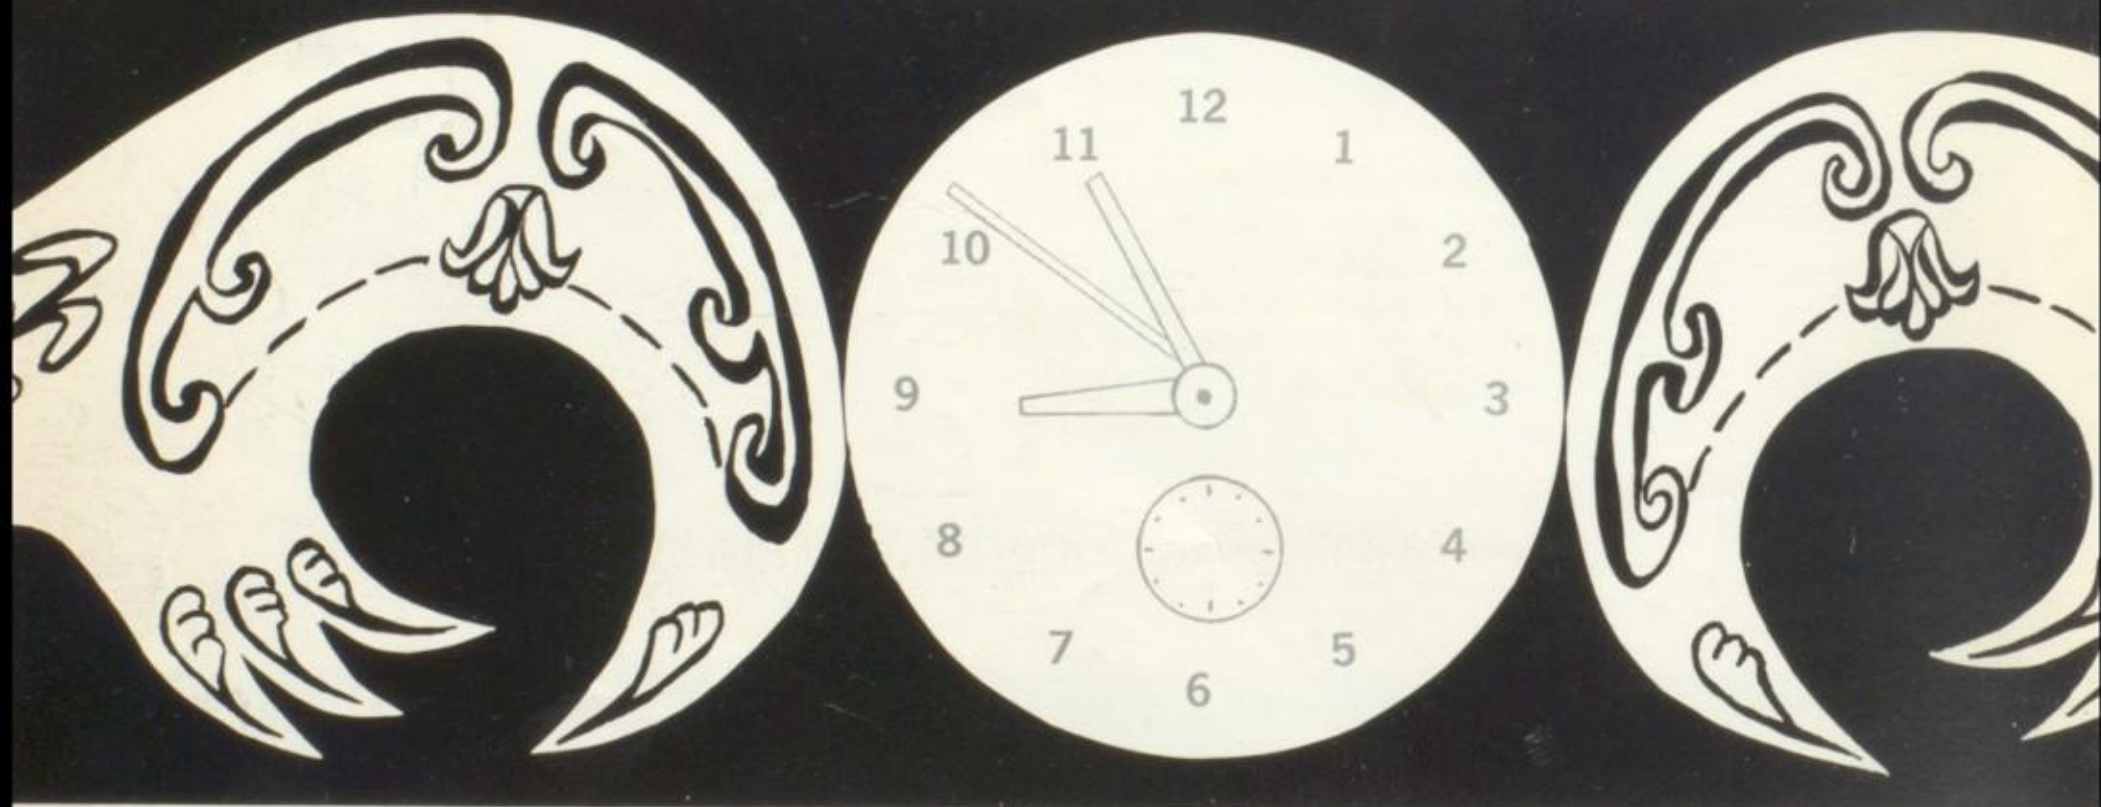

This year's edition of the Tomahawk is a living symbol of the passing of time. The pages not only bring to life again the activities and friends of the year, but also emphasize the fact that the perpetual sweep of the pendulum of time has marked the passage of one more year.

For some of you, this means only advancement to another grade; for the A-9's, it holds the promise of a niche at last in the brighter world of senior high school; and for the graduating seniors, it marks a plateau from which new and exciting steps may be taken.

Regardless of the special meaning involved for each of you, the fact that the school year of 1959-1960 is now history will mean that the panorama of events encompassed by the Tomahawk '60 will provide a link with the past in the years to come.

PRINCIPAL'S MESSAGE

It has been a wonderful experience watching and being a part of Birmingham's growth and development. The high scholastic standing of Birmingham students, and the many achievements of those who have graduated, have made me very proud, and I know that their records are but a forecast of greater things to come.

This beautiful yearbook will provide the graduating seniors with a vivid reminder and permanent record of their last year at Birmingham. I sincerely wish the Birmingham student body the best of luck and a high measure of success in the coming years.

STUDENT BODY OFFICERS

I am very grateful for this opportunity to express my thanks to the faculty, administration, and student body, for their contribution to an enjoyable and memorable term of office. I have tried my best to maintain the standard set for me by my predecessors, and any small measure of success I have attained would have been impossible without the support and cooperation of my teachers and fellow students. My heartiest congratulations to the graduates, who I am sure will continue to bring honors to Birmingham, and the best of luck to the returning students, who must bear the responsibility of seeing that our school's reputation of high scholarship and ideals is upheld.

STUDENT BODY OFFICERS

We the student body officers would like to thank the administration and faculty for the guidance they have given us this year. I would particularly like to commend the excellent support you, the students, have given your officers and school.

A leader is only as strong as the people he represents.

It is my privilege to congratulate the graduates. I feel confident that they will go forth as a credit to Birmingham. With you the returning students, rests the responsibility of diligent work to ever improve Birmingham and its prestige in the community.

WINTER CLASS OF 1960

COLORS: Coral and Gray

MOTTO: Preparing today to lead tomorrow.

SONG: We are the dawn of the decade

We bring to man a new day,
Our faith in right is our guiding light
A light that can't fade away.
So may our words be brave and true
And may our lives be good,
For you with me and I with you
Form a lasting brotherhood.

Our high school days now are ending
The time has come to depart,
And you and I may say good-bye
With words but not with heart.
Though years to come may scatter us
And time may change our ways,
We'll always be the Aureans
Till the closing of our days.

THOMAS PARRY

Upon my arrival at Birmingham High School as your new Principal, I was overwhelmed by the area, the 4,000 students, and by the correspondingly large faculty. However, the warmth and friendliness of the students and the faculty soon made me feel welcome. I am looking forward to a pleasant and rewarding association with Birmingham in the school years to come.

CLUBS AND ORGANIZATIONS

KNIGHTS

Knights, the honor-service organization for senior boys, participate as the official hosts of Birmingham. The Knights perform many different services. Not only do the Knights sponsor dances and talent shows, they also usher at assemblies and work hard to help the student body.
